RAMPART SECURITY PREMIUM MONITORING SERVICE

Premium Monitoring is available as a supplement to your Standard Monitoring and includes the following services:

*On-demand Opening/Closing Reports – A report can be requested up to six times per year showing the time and date that the system was armed or disarmed by user name. Report can date back up to a week from time of request.
(Normally a \$15.00 charge per report)

*Remote User Code Changes – One or more user codes can be added or deleted by remote communication with your control panel.
(Normally a \$15.00 charge per change)

*Remote Computer Program Changes – Changes can be made in control panel features like delay times, siren times, delay zones, chime zones, etc. by remote communication with your control panel.
(Normally a \$15.00 charge per change)

All of the above features are available for only \$5.00 additional per month. If you have questions on this service please call Phil Snyder at 724-836-0900. If you would like to activate this service, simply sign below and return this form to my attention either by mail or by faxing it to 724-836-1712.
